DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

2. Claim 1 and its dependent claims 2-9, claim 10 and its dependent claims 11-17, claim 18 and its dependent claims 19-25, and claim 26 and its dependent claims 27-33 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement thereof, since the recitation of **“adjusted pedal is a pre-calibrated value based on a desired acceleration characteristic”** introduce a new matter not supported by the original disclosure. The claim(s) contains subject matter, which was not described in the specification in such a way as to reasonably convey to one skill in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. See *In re Daniels*, 144F.3d 1452, 46 USPQ2d 1788 (Fed. Cir. 1988); *In re Rasmussen* 650 F.2d 1212, 211 USPQ 323 (CCPA 1981).

Conclusion

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after

Art Unit: 3747

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
